Subject: Preliminary Findings and Recommendations - CA State Lab - DW Chemistry Audit
Attachments: 2019 CA State Lab DW Chemistry Audit Preliminary Findings and Recommendations.pdf

Good morning Sissy,

As we discussed in our exit meeting and as a courtesy, we are sending you a copy of our findings and recommendations from our onsite audit. You will notice that there are a few changes that were based on further review of the items. A draft of the report will be sent out on December 31st. You will have 30 days from the receipt of the draft report (January 30, 2020) to submit corrective actions and a corrective action plan, including supporting documentation, that will need to be reviewed and approved. Thank you for your cooperation and for providing all the documentation we requested in a timely manner.

Happy Holidays,
Chris
